Aquantic

AQUANTIC Executive Surf 435

Art.-No. 5648435 EAN 4068085000724

Details

At 435 cm, the length of the Executive Surf is perhaps a bit unconventional. However, our tests have shown that the rod at this length has the best charge when casting and can therefore achieve long casting distances with little effort. This in conjunction with the high-carbon blank and the optimally coordinated K-type guides guarantee successful surf fishing. The rod is also equipped with a UV-active and fluorescent tip so that you don't miss a bite.

- ? High-carbon blank
- ? K-type rings
- ? fluorescent tip part
