## Detailed view Art.no. 7142600

MS Range

### MS-RANGE Seatbox

Art.-No. 7142600  
EAN 4039507271565

#### Details

The MS-R Seatbox is the best basis for staying comfortably at the feeder seat. It is equipped with a comfortable plastic bucket seat that can be rotated via ball bearings and is removable with strong padding on the seat and back, two removable drawers under the seat, four quick-adjustable, continuously adjustable legs with mud feet, four height-adjustable legs (two on the right and two on the left). Poles (diameter 25 mm) for holding attachments including threads on the top and a heavily padded shoulder strap included in delivery. There are also rails on the underside to hold the optionally available footrest. There is also a spirit level spirit level attached to the back of the seatbox for precise alignment. Everything is made of corrosion-resistant aluminum and plastic.

? Dimensions:

? Width: 70 cm (overall)

? Depth: 52 cm (overall)

? Height transport dimensions (with folded backrest): 71 cm

? Height at completely retracted legs and opened backrest: 83 cm (+20 cm with completely extended legs)
